### **Peachtree Quantum Disclosures**

- 16 Subject to terms of the End User License Agreement. A maximum of 10 licensed named users are allowed. Only the first 10 named users selected in the user maintenance screen are considered licensed named users.
- 17 Performance results are based on recommended system requirements for Peachtree Premium Accounting 2006. Results may vary based on configuration, size and content of data file, system and network traffic. For information on testing environment refer to [www.peachtreequantum.com/test](http://www.peachtreequantum.com/test).
- 18 Multi-user performance gains for 5 users or less are realized in the Peachtree 2007 products with the exception of Peachtree First Accounting and Peachtree Accounting.
- 19 Peachtree does not impose a hard limit on database capacity, however, individual performance will vary depending on actual number of transactions, database size and number of concurrent users. Data management efficiencies are also realized in the Peachtree 2007 products.
- 20 Sage Software reserves the right to limit each support call to 1 hour or 1 incident. Hours of operation are Monday-Friday from 8:30 AM – 8:30 PM eastern time, excluding occasional exceptions for observed holidays, company events, and extreme conditions beyond our control.
- 21 Your Peachtree Quantum Signature Care Plan (which includes product upgrades, product updates and customer support) will be renewed automatically each year on the anniversary date of your purchase unless you terminate your agreement prior to that date. Renewal is not required for continued access to product updates.
